I just wanted to report that Kimberly Rose has been identified as the 2010 Certificated Entrepreneurship Teacher of the Year and she actually went up to New York City to receive that award, so I commend her and her efforts. She has run a great program over at the high school. The other thing I want to do under the Superintendent's Report is ask Mr. Seropian to discuss the 2010/2011 General Fund Budget. Committee Reports –

Athletic – James Brown – We had a meeting this month. I met with Charley Kiss on several things as far as our Lady Tigers softball team is doing very good, they are in first place as of April 15th and if I'm not mistaken, I saw them beat Kiski 11-0 last night. They are doing very well. We are also looking to have our annual lift a thon for our football team on Friday, May 14th. Which is going to be at the gymnasium at 7:00 PM. We have been having several meetings with the golf outing that the McKeesport Quarterback Club is going to be holding on June 25th. If you are

Regular Board Meeting

interested, you need to meet with Charley Kiss at the Athletic Department and it's going to be at Cedarbrook Golf Course. That's going to be June 25th. Cheerleading, dance team and colorguard, if you know anyone that's interested in trying out, they are going to be having try outs the whole month of May. If you know anyone that's interested in trying out for the dance team, come out and try. That's my report.

Buildings & Grounds – Steve Kondrosky – I met with Ed Fagan and he included me in on his conversation in regards to a lot of the things that we brought up at last month's meeting that were already taken care of. That's new lighting at South Hall and the building of some water run off areas over there at the White Oak School were taken care of and they increased the parking area by about twenty (20) spaces. The holes in the parking lot behind South Hall by where the band practices, those were all taken care of along with the additional one at White Oak Elementary School. The catch basins were all taken care of. During the storm that we had last week, we lost three (3) trees and they had to be taken care of. Now we're looking at including and replanting a few more there. Hopefully, we can find something nice to fit in real good. Campbell gym where the new steps were constructed, we planted some new shrubs to approve that area there. Basically, we're getting proposals now for the modular classrooms over at McClure that are going to be set up for temporary classrooms. I'm sure that by next month's meeting we'll have all that in tact and that's all I have to say. Thank you very much.

Cultural Diversity – Tom Maglicco – Yes, Mr. Vice President, we have a meeting scheduled for May. I gave a report last month on Cultural Diversity that covered the previous month. I will get with Dr. Brinkos and schedule a meeting for May.

Education/Technology/Grants & Outside Funding – Pat Maksin – We did have a meeting. It had been requested that we get a listing of all of the grants that the district has received and Mrs. Scales provided that for us. For the 2009/2010 school year it has been a total of \$10,747,428. I thought that was quite impressive. So, that was provided to all the Board Members, all the different grants. We also did meet about some programming that is either going to continue district wide or some things at the high school that some of the administrators are looking into. Some additional program and certainly for PSSA testing for next year.

Financial Affairs – Tom Maglicco – Yes, Mr. Vice President, we had a very good meeting and discussion. We went over the 2010/2011 budget. Mr. Seropian, Mr. Humanic, Mrs. Maksin and myself. We talked about several things. It was a very good discussion and we have a lot of work ahead of us in the next couple months.

Regular Board Meeting

April 21, 2010

Legislation/Policy – Pat Maksin – We did meet. It was about the adoption of Board Policy section 300, which we approved this evening.

Personnel – Joe Lopretto – Yes, Mr. Vice President. We had a very long lengthy meeting and the green sheets reflect all that.

Safe Schools – Joe Lopretto – No, we didn't have a meeting, but again I talked to Dr. Gabauer a lot on the camera systems and that's why the plan was rejected tonight on the bids because we're actually looking at getting some kind of new system in place that's even better than the one we have.

Solicitor's Report – Mrs. Maksin moved to approve settlement with Kimball & Associates as recommended by the Solicitor. Seconded by Mr. Brown. Discussion followed.

Voting aye. Mr. Brown, Mr. Chiaverini, Mr. Halaszynski, Mr. Holtzman, Mr. Kondrosky, Mr. Lopretto, Mr. Maglicco, Mrs. Maksin

Excused. Mr. Washowich

Correspondence – None.

New Business – None.

Adjournment – 8:00 PM – Mr. Holtzman moved for adjournment. Seconded by Mr. Brown.
